To The Tee

Think your tees are relegated to the weekends? Think again

Monday, October 05, 2009

WHAT: Leyendecker lace tee

WHY: You know who you are: you're that girl who hates taking off her t-shirts, regardless of how formal the occasion. You've been known to pair your super-soft LNAs and Kain tees with the sweetest of skirts and the highest of heels--but sometimes, you really do need to dress it up just *un peu* more. Enter Leyendecker, whose black lace tee is as comfy as your favorite jersey number--but will do formal duty that much more easily. Genius!

Jack Vartanian's scene-stealing earrings sport the most stunning shade

Friday, October 02, 2009

WHAT: Jack Vartanian Lapis Lazuli earrings

WHY: Your earring collection likely consists of the following: a pair of diamond (or otherwise classic) studs, a dangly gemstone pair or two, maybe even a pair with feathers for the bohemian-inclined. But we're willing to bet that you're missing these: these stunningly oversized lapis lazuli stones, set in rose gold and surrounds by dots of tiny diamonds. It's quite a dose of blue, yes--your jewelry case won't know what hit it!

PRICE: \$8,370

AVAILABLE: <http://www.barneys.com>
