## The Pink Agenda Annual Spring Gala - May 14, 2009

Last night, **The Pink Agenda**, a non-profit organization committed to raising money for the Breast Cancer Research Foundation threw their annual spring gala at Twenty Four Fifth. The night's key note speech was delivered by **Hoda Kotb**, of NBC's *Today* show and *Dateline NBC*, as well as a breast cancer survivor herself. **Willie Geist** of MSNBC was in attendance as was New York socialite **Amanda Hearst**, as well as fashion designers **Keith Lissner** and **Timo Weiland**.

It was great to run into fashion designer **Abigail Lorick** for a second time this week. Her designs were worn by many in attendance, including The Pink Agenda's President and Founder, **Marissa Renee Lee**.

The night was full of cocktails, and socializing, as attendees bid on wonderful items including vacation packages and luxury items in both a live, and silent auction. Later, the crowd went down to the Hotel On Rivington's THOR Bar for some after-party cocktails.
